MALDIVES CIVIL AVIATION AUTHORITY

Male', Republic of Maldives

Internship Opportunity Announcement		**Number:**	201-AFD-A/MIS/2026/501
		Date:	9th November 2026
Designation:	Intern	**Required number:**	2 interns
Section:	Airworthiness Section		
Allowance:	MVR 35 per hr	**Working Hours:**	20 to 30 hrs per week
Place of Work:	Maldives Civil Aviation Authority		
Requirement:	- Degree in engineering / computer science or MCAR-147 course in Aircraft Maintenance or Commercial Pilot Licence - Stronge analytical, problem-solving and communication skills. - Ability to review technical documentation and compile reports. - Willingness to learn new technologies and work in a collaborative environment.		
Position Description:	The selected candidate will support the CAA in the introduction of large drone (>1000 kg) operations in the Maldives. Interns will work alongside CAA inspectors and technical specialists on regulatory, operational, airworthiness, and safety oversight activities. The programme provides practical exposure to advanced UAS operations through research, project support, inspections, and stakeholder engagements. The candidate will also support other oversight tasks within the Airworthiness Department.		
List of Task:	- Conduct technical research on international standards, regulations, and best practices for large drone operations. - Support rulemaking initiatives, guidance material development, and regulatory gap analyses. - Assist inspectors in reviewing operator applications, manuals, safety cases, and compliance documentation. - Support oversight planning, data collection, and risk assessments related to UAS operations. - Participate in technology demonstrations, operational trials, and stakeholder workshops. - Assist in surveillance, inspection preparation, and post-activity reporting. - Assist in the development of UTM infrastructure. - Compile reports, presentations, and lessons learned for management review. - The candidate also may be asked to work on tasks from other Division within the Airworthiness Department.		
Document required:	1. Completed Internship Application Form https://forms.gle/MyoihoDxNSrEymU28 2. Copies of accredited academic certificates. 3. Copy of National Identity Card. 4. Police Report (issued within the last three months).		
Deadline:	Interested applicants must submit their applications before 1500 hours on Monday, 23 November 2026, via google link
