

MALDIVES CIVIL AVIATION AUTHORITY

Male', Republic of Maldives

NOTICE INFORMATION

Ref: 201-AFD-A1/MIS/2026/02

Date: 5th January 2026

Subject: Change of Aircraft Accident and Investigation Authority

This notice is issued to inform all airspace users, aircraft operators, aerodrome operators, air navigation service providers, and other relevant stakeholders of a change in the national aircraft accident investigation authority of the Republic of Maldives.

The responsibility of the previously established Accident Investigation Coordination Committee (AICC) has been transferred to the **Maldives Transportation Safety Board (MTSB)**. The MTSB has been designated as the sole and independent authority responsible for the investigation of aircraft accidents and serious incidents in the Republic of Maldives.
